Meet the challenge of today's NEW reality in human resources -

Discover the next generation of HR certification.

Demonstrate your HR expertise and gain practical skills. Earn the competency-based SHRM-CP and SHRM-SCP credentials.

Business leadership has changed over recent decades. We now live and work in a global economy, in which geographic borders are virtually non-existent, and innovation, agility and strategy are critical success factors. The HR profession operates at the core of this global economy, ensuring the alignment of organizational strategy with a high-performing workforce.

These two new certifications, SHRM Certified Professional (SHRM-CP™) and SHRM Senior Certified Professional (SHRM-SCP™), demonstrate who we are as HR professionals, what we do and why it matters. These professional certifications are meant to benefit the individual, the profession and the employer. They can open doors for professional advancement, serve to harmonize standards with changing expectations and signal to employers advanced professional development. We believe SHRM certification will become the new standard for HR professionals around the globe.

Be among the first to earn an HR credential that's globally applicable and universally recognized.

SHRM-CP and SHRM-SCP are based on a single, comprehensive Body of Competency and Knowledge™ (SHRM BoCK™) and are relevant worldwide, giving professionals the recognition and flexibility to use their knowledge, skills and competencies anywhere their career takes them.

Show the world you've got what it takes to succeed.

SHRM-CP and SHRM-SCP are based on in-depth research focused on –and backed by – global employers and business leaders. They reflect what HR practitioners need to know to be leaders in their organizations and in the profession.

SHRM-CP and SHRM-SCP are your credentials, based on the current HR landscape. This certification is 100% focused on the Competencies and Knowledge all HR professionals need to lead in today's business community.

A world-class credential deserves world-class exam preparation.

Offered in partnership with the Society for Human Resource Management (SHRM), the curriculum is designed by global subject matter experts and covers the entire SHRM BoCK.

Our course is designed to help you learn and retain the material effectively and efficiently by combining the best exam preparation system with expert instruction and peer discussion.
