Workplace Investigations: How to Stay on the Right Side of Hashtag Movements

While the news cycle has put a spotlight on sexual harassment this issue is not new. Neither are employee complaints of discrimination, bullying, violence, retaliation or other workplace misconduct.

Employee complaints are a cost of doing business. There are more than just monetary costs - loss of reputation, mistrust, and employee dissatisfaction soft costs.

How you handle your employees' complaints and concerns frames their perceptions of you, the company, and the outcome of the investigation. And probably more importantly, what they do next!

Free 1 Hour presentation.
