

Volusia/Flagler SHRM

October 2012

PROGRAM INFO

This program has been Submitted for 1.0 re-certification credit!

Elements of an effective worker's compensation program

Program Overview:

- How premiums are calculated and what drives this cost.
- Effective claims management practices to include injury reporting and use of transitional duty.
- Effective Safety and Health and Drug Free Workplace Practices.
- Hiring and Screening Practices.
- Worker's Compensation Fraud Red Flags.

Speaker Information: [Andy Tatum](#)

Graduating from the University of West Florida with a Bachelor Degree in Physics, Andy continued his education with a year of graduate school before entering the workforce in 1992. He joined Florida Division of Safety as an Industrial Hygienist in the OSHA Consultation program. Andy spent nearly 8 years working with more than 500 businesses, earning numerous awards for excellent service and also continued his education by completing over a thousand hours of professional training.

In December 1999, Andy joined Zenith Insurance providing safety and health service to policyholders in the Florida panhandle. Since 2003, Andy has provided Safety and Health supervision for Zenith's Central and South Florida territory. He has visited and worked with nearly 1000 businesses assisting with workplace safety and reducing insurance costs.

Andy's participated in local American Industrial Hygiene Association, American Society of Safety Engineers, and the National Safety Council chapters. He holds the Associate in Risk Management professional designation.
